IN RE: ARTICLE V FUNDING  
STEERING COMMITTEE

## ADMINISTRATIVE ORDER

The Article V Funding Steering Committee was established on January 12, 1999, to recommend policies and legislative implementation strategies for the transition of certain portions of the trial courts' budgets from local to state funding, in accordance with Revision 7 amending the Florida Constitution, as approved by Florida voters on November 3, 1998. Upon consideration, the Chief Justice has determined that it would be beneficial for the chair of the Trial Court Performance and Accountability Committee of the Judicial Management Council to serve on the Article V Funding Steering Committee. Therefore, the following person is appointed to the Steering Committee, for a term to expire June 30, 2000:

The Honorable Alice Blackwell White  
Judge, Ninth Judicial Circuit

DONE AND ORDERED at Tallahassee, Florida, on February 19, 1999.

  
Major B. Harding  
Chief Justice
