

CERTIFICATE REGARDING READ-AGAINST

I certify that these rules were read against West's *Florida Rules of Court — State* (2006). Although the latest supplement of West (November 2006) did not contain the July 1, 2006 revisions to §90.503, Fla. Stat., the revisions were read against Chapter 2006-204, Laws of Florida, for accuracy.

I certify that this report was prepared in MS Word using 14 point Times New Roman font.
