THURSDAY, APRIL 4, 2002

CASE NO.: SC02-367

ROLANDO REYES, SR.

vs. MICHAEL W. MOORE, ETC.

---

Petitioner(s)

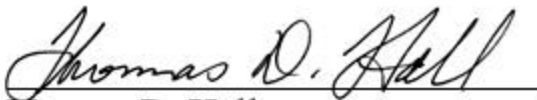

Respondent(s)

## ORDER TRANSFERRING PETITION

This Court has determined that it should decline to take jurisdiction over the instant petition for all writs jurisdiction. See Harvard v. Singletary, 733 So. 2d 1020 (Fla. 1999). Since the Circuit Court of the Second Judicial Circuit in and for Leon County, Florida, appears to have concurrent jurisdiction in this case, it is ordered pursuant to rule 9.040(b) of the Florida Rules of Appellate Procedure that this case is hereby transferred to that court as of this date. The transferee court shall treat the petition as if it had been originally filed there on the date it was filed in this Court. The transfer of this case is not an adjudication or comment on the merits of the petition, nor is it a determination as to the transferee court's jurisdiction or whether the petition has been properly denominated as a petition for all writs jurisdiction. If it is determined that a filing fee is applicable to this petition, and if petitioner wishes to proceed in forma pauperis in the transferee court, an affidavit of indigency and accompanying documentation shall be filed by petitioner in the transferee court, or as ordered by the transferee court.
