Re: Biennial Report of Florida Probate Rules Committee

Dear Mr. Hall:

Enclosed herewith are an original and nine copies of the 2005 biennial report of the Probate Rules Committee, together with a disk containing the report and appendixes A through C, in Word format. Please note that the report discusses changes to the rules; an additional change is made to the Committee Note only in Rule 5.030, as noted in the table of contents and in appendix B.

Also included on the disk is a copy of the notice that contains a chart summarizing the rules changes, as published in the Bar News in November 2004. This is being furnished in case the Court wants to republish the proposals for comment.

Sincerely yours,

J. Craig Shaw
Staff Liaison to Florida Probate Rules Committee
