Dear Chief Justice Lewis:

Please find enclosed a brief report on the activities to date of the Committee on Access to Court Records, as well as the committee's recommendations on modification to the interim policy presently in effect. Both the progress report and the recommendations regarding the interim policy were requested by you in Administrative Order AOSC06-27, *In Re Committee on Access to Court Records*.

The committee has been and continues to be very active in attending to the many issues implicated by the development of electronic access to court records. Please feel free to call on me at any time regarding this matter.
