**BY ORDER OF THE COURT:**

Pursuant to Florida Rule of Appellate Procedure 9.125, we certify that the summary final judgment entered by the circuit court on May 17, 2004, requires immediate resolution by the Supreme Court of Florida because the issue pending in this court is of great public importance and has a great effect upon the proper administration of justice throughout the state.

The following documents are attached to the supreme court's copy of this order: (1) the order appealed [summary final judgment], (2) appellee's response to show cause order, and (3) appellant's response to order relinquishing case for entry of final judgment and order to show cause why this proceeding should not be certified to the supreme court as requiring immediate resolution, plus appendix.
