NOTICE OF GIVING UP

PROVIDED TO HAMILTON CI ON
JUL 20 2009
FOR MAILING

COMES NOW, the intervenor, Steven A. McLeal, Pro Se, filing this notice that due to the blatant gender and racial discrimination by Respondent Crist, which was applauded by this Court and has resulted in the removal of justice and fundamental fairness in the entire state of Florida court system, allowing for the growth of corruption unseen by even third world countries and the incarceration of thousands of innocent and unjustly convicted persons that was also apparently applauded by this Court, the intervenor has decided to allow Respondent Crist to appoint as many gay, corrupt, good ole' boy judges and members of the judicial nominations commissions, as he wants because after nine (9) years in prison for nothing, the intervenor is GIVING UP!!!
