Upon complaint made to the probate court of the county having jurisdiction of the administration of an estate, a testamentary trust, or a guardianship or of the county where a person resides against whom the complaint is made, by a person interested in the estate, testamentary trust, or guardianship or by the creditor of a person interested in the estate, testamentary trust, or guardianship against any person suspected of having concealed, embezzled, or conveyed away or of being or having been in the possession of any moneys, personal property, or choses in action of the estate, testamentary trust, or guardianship, the court shall by citation or other judicial order compel the person or persons suspected to appear before it to be examined, on oath, touching the matter of the complaint. If necessary, the citation or other judicial order may be issued into any county in the state and shall be served and returned by the officer to whom it is delivered. The officer to whom the process is delivered shall be liable for negligence in its service or return in a similar manner as sheriffs are liable for negligence in not serving or returning a writ issued upon an indictment. Before issuing an extra-county citation or other judicial order, the probate judge may require the complainant to post security with the probate court in an amount and in a form that the probate judge finds acceptable in order to cover the costs of the proceeding under this section, including in those costs a reasonable allowance for the travel expenses of the person or persons against whom an extra-county citation or other judicial order is to be issued. The security may be in the form of a bond, the amount, terms, conditions, and sureties of which shall be subject to the approval of the probate judge.

The probate court may initiate proceedings on its own motion.

The probate court shall promptly proceed to hear and determine the matter.

The examinations, including questions and answers, shall be reduced to writing, signed by the party examined, and filed in the probate court.

If required by either party, the probate court shall swear the witnesses who are offered by either party touching the matter of the complaint and cause the examination of every witness, including questions and answers, to be reduced to writing, signed by the witness, and filed in the probate court.

All costs of the proceedings, including the reasonable travel expenses of a person against whom an extra-county citation or judicial order is issued, shall be assessed against and paid by the party making the complaint, except as provided by section 2109.52 of the Revised Code.

CRIMES

THEFT, ROBBERY, AND RELATED CRIMES

812.014 Theft.—

(1) A person commits theft if he or she knowingly obtains or uses, or endeavors to obtain or to use, the property of another with intent to, either temporarily or permanently:

(a) Deprive the other person of a right to the property or a benefit from the property.

(b) Appropriate the property to his or her own use or to the use of any person not entitled to the use of the property.

(2)(a)1. If the property stolen is valued at \$100,000 or more or is a semitrailer that was deployed by a law enforcement officer; or

2. If the property stolen is cargo valued at \$50,000 or more that has entered the stream of interstate or intrastate commerce from the shipper's loading platform to the consignee's receiving dock; or

3. If the offender commits any grand theft and:

a. In the course of committing the offense the offender uses a motor vehicle as an instrumentality, other than merely as a getaway vehicle, to assist in committing the offense and thereby damages the real property of another; or

b. In the course of committing the offense the offender causes damage to the real or personal property of another in excess of \$1,000.

the offender commits grand theft in the first degree, punishable as a felony of the first degree, as provided in s. 775.082, s. 775.083, or s. 775.084.

(b)1. If the property stolen is valued at \$20,000 or more, but less than \$100,000;

2. The property stolen is cargo valued at less than \$50,000 that has entered the stream of interstate or intrastate commerce from the shipper's loading platform to the consignee's receiving dock;

3. The property stolen is emergency medical equipment, valued at \$300 or more, that is taken from a facility licensed under chapter 395 or from an aircraft or vehicle permitted under chapter 401; or

4. The property stolen is law enforcement equipment, valued at \$300 or more, that is taken from an authorized emergency vehicle, as defined in s. 316.003.

the offender commits grand theft in the second degree, punishable as a felony of the second degree, as provided in s. 775.082, s. 775.083, or s. 775.084. Emergency medical equipment means mechanical or electronic apparatus used to provide emergency services and care as defined in s. 395.002(9) or to treat medical emergencies. Law enforcement equipment means any property, device, or apparatus used by any law enforcement officer as defined in s. 943.10 in the officer's official business. However, if the property is stolen within a county that is subject to a state of emergency declared by the Governor

15
under chapter 252, the theft is committed after the declaration of emergency is made, and the perpetration of the theft is facilitated by conditions arising from the emergency, the theft is a felony of the first degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. As used in this paragraph, the term "conditions arising from the emergency" means civil unrest, power outages, curfews, voluntary or mandatory evacuations, or a reduction in the presence of or response time for first responders or homeland security personnel. For purposes of sentencing under chapter 921, a felony offense that is reclassified under this paragraph is ranked one level above the ranking under s. 921.0022 or s. 921.0023 of the offense committed.

(c) It is grand theft of the third degree and a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, if the property stolen is:

1. Valued at \$300 or more, but less than \$5,000.

3. Valued at \$10,000 or more, but less than \$20,000.
4. A will, codicil, or other testamentary instrument.
5. A firearm.
6. A motor vehicle, except as provided in paragraph (a).
7. Any commercially farmed animal, including any animal of the equine, bovine, or swine class or other grazing animal; a bee colony of a registered beekeeper; and aquaculture species raised at a certified aquaculture facility. If the property stolen is aquaculture species raised at a certified aquaculture facility, then a \$10,000 fine shall be imposed.
8. Any fire extinguisher.
9. Any amount of citrus fruit consisting of 2,000 or more individual pieces of fruit.
10. Taken from a designated construction site identified by the posting of a sign as provided for in s. 810.09(2)(d).
11. Any stop sign.
12. Anhydrous ammonia.
13. Any amount of a controlled substance as defined in s. 893.02. Notwithstanding any other law, separate judgments and sentences for theft of a controlled substance under this subparagraph and for any applicable possession of controlled substance offense under s. 893.13 or trafficking in controlled substance offense under s. 893.135 may be imposed when all such offenses involve the same amount or amounts of a controlled substance.

However, if the property is stolen within a county that is subject to a state of emergency declared by the Governor under chapter 252, the property is stolen after the declaration of emergency is made, and the perpetration of the theft is facilitated by conditions arising from the emergency, the offender commits a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, if the property is valued at \$5,000 or more, but less than \$10,000, as provided under subparagraph 2., or if the property is valued at \$10,000 or more, but less than \$20,000, as provided under subparagraph 3. As used in this paragraph, the term "conditions arising from the emergency" means civil unrest, power outages, curfews, voluntary or mandatory evacuations, or a reduction in the presence of or the response time for first responders or homeland security personnel. For purposes of sentencing under chapter 921, a felony offense that is reclassified under this paragraph is ranked one level above the ranking under s. 921.0022 or s. 921.0023 of the offense committed.

(d) It is grand theft of the third degree and a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, if the property stolen is valued at \$100 or more, but less than \$300,

16
and is taken from a dwelling as defined in s. 810.011(2) or from the unenclosed curtilage of a dwelling pursuant to s. 810.09(1).

(e) Except as provided in paragraph (d), if the property stolen is valued at \$100 or more, but less than \$300, the offender commits petit theft of the first degree, punishable as a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(3)(a) Theft of any property not specified in subsection (2) is petit theft of the second degree and a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083, and as provided in subsection (5), as applicable.

(b) A person who commits petit theft and who has previously been convicted of any theft commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(c) A person who commits petit theft and who has previously been convicted two or more times of any theft commits a felony of the third degree, punishable as provided in s. 775.082 or s. 775.083.

(d)1. Every judgment of guilty or not guilty of a petit theft shall be in writing, signed by the judge, and recorded by the clerk of the circuit court. The judge shall cause to be affixed to every such written judgment of guilty of petit theft, in open court and in the presence of such judge, the fingerprints of the defendant against whom such judgment is rendered. Such fingerprints shall be affixed beneath the judge's signature to such judgment. Beneath such fingerprints shall be appended a certificate to the following effect:

"I hereby certify that the above and foregoing fingerprints on this judgment are the fingerprints of the defendant, , and that they were placed thereon by said defendant in my presence, in open court, this the day of , (year) ."

Such certificate shall be signed by the judge, whose signature thereto shall be followed by the word "Judge."

2. Any such written judgment of guilty of a petit theft, or a certified copy thereof, is admissible in evidence in the courts of this state as prima facie evidence that the fingerprints appearing thereon and certified by the judge are the fingerprints of the defendant against whom such judgment of guilty of a petit theft was rendered.

(4) Failure to comply with the terms of a lease when the lease is for a term of 1 year or longer shall not constitute a violation of this section unless demand for the return of the property leased has been made in writing and the lessee has failed to return the property within 7 days of his or her receipt of the demand for return of the property. A demand mailed by certified or registered mail, evidenced by return receipt, to the last known address of the lessee shall be deemed sufficient and equivalent to the demand having been received by the lessee, whether such demand shall be returned undelivered or not.

(5)(a) No person shall drive a motor vehicle so as to cause it to leave the premises of an establishment at which gasoline offered for retail sale was dispensed into the fuel tank of such motor vehicle unless the payment of authorized charge for the gasoline dispensed has been made.

(b) In addition to the penalties prescribed in paragraph (3)(a), every judgment of guilty of a petit theft for property described in this subsection shall provide for the suspension of the convicted person's driver's license. The court shall forward the driver's license to the Department of Highway Safety and Motor Vehicles in accordance with s. 322.25.

1. The first suspension of a driver's license under this subsection shall be for a period of up to 6 months.

2. The second or subsequent suspension of a driver's license under this subsection shall be for a period of 1 year.

(6) A person who individually, or in concert with one or more other persons, coordinates the activities of one or more persons in committing theft under this section where the stolen property has a value in excess of \$3,000 commits a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

In re:
RALPH CAFARO

**ORDER DIRECTING OFFICE OF THE CLERK OF COURT NOT TO ACCEPT ANY
PETITION, COMPLAINT, COUNTERCLAIM OR MOTION FROM LITIGANT IN
CIRCUIT PROBATE TRIAL COURT ACTIONS WITHOUT BEING SIGNED BY AN
ATTORNEY IN GOOD STANDING**

THIS MATTER came before the undersigned Judge who presides in the Probate division housed in the West Pasco Judicial Center. Listed below is an open case in the undersigned's Probate division in which Ralph Cafaro (hereinafter CAFARO) is involved. This direction to the Clerk of Court is based upon CAFARO continuously and repeatedly filing meritless pleadings unfathomable motions and motions denoted as "emergency", which continuing practice has resulted in an unconscionable waste of both the Court's judicial time and other parties time and expense. Consequently, the undersigned hereby directs that:

The Clerk of Court, Pasco County, FL, shall not accept for filing any petition, complaint, counterclaim or motion unless that petition, complaint, counterclaim or motion is signed by an attorney in good standing, licensed to practice in the State of Florida. This direction applies to the following case and, until further order of the Court, any future circuit Probate trial court level case in which Ralph Cafaro is an interested party.
